

# NIGHT PATROL

## PATROLLING WITH PURPOSE

Downtown safety is a growing concern in the core. The Edmonton Downtown Business Association's Night Patrol helps to improve nighttime safety for Edmonton's downtown businesses, workers, visitors and residents.

So, what exactly is Night Patrol? The program has two teams, each comprised of a security professional and a peer support worker, patrolling downtown in marked vehicles. The units drive around the area and act as an additional set of eyes on the street at night, offering an increased presence you can trust to keep a watchful eye and report all suspicious activities.

**Night Patrol works 7 days a week from 12:30am to 8:30am to improve safety for everyone.**

**This is not a replacement service for Edmonton Police Services. If you are in an emergency situation, call 911 for assistance.**

**If you need to report a non-emergent crime, dial #377 or call the non-emergency line 780-423-4567.**

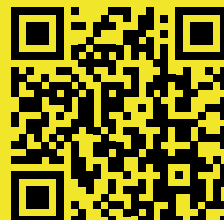

# A PRESENCE THAT PROTECTS

**The Edmonton Downtown Business Association is committed to protecting property and reducing safety concerns in our city's core. Our units work with an integrated and solution-oriented approach that:**

- Conducts physical and visual checks on business storefronts, buildings and downtown public assets
- Provides mobile patrol of downtown streets, alleys, and public spaces
- Works to reduce break-ins, property damage, and vandalism
- Monitors street activity and connects those at risk with community resources
- Deescalates dangerous situations
- Tracks, collects, analyzes, and reports on relevant data and metrics on property damage, break-ins, vandalism and other business-related incidents
